The Annual Staff dedicates this annual in memory of two former students of Bitburg High School who were both loved and respected by the Student Body who knew them.

## DENNIS A. KUKLIS

August 6, 1946 - August 14, 1963

"Life is a grindstone and whether it grinds a man down or polishes him up depends on the stuff he is made of."

WEEKLY SPOKE, Weburn, Canada

Typical of Dennis, this quotation reveals a facet of his personality. He had the "stuff" it takes to tackle the eventualities of life.

## MARTHA JO HODGES

December 1, 1947 - May 30, 1963

"Were it offered to my choice, I should have no objection to a repetition of the same life from its beginning, only asking the advantages authors have in a second edition to correct some faults of the first."

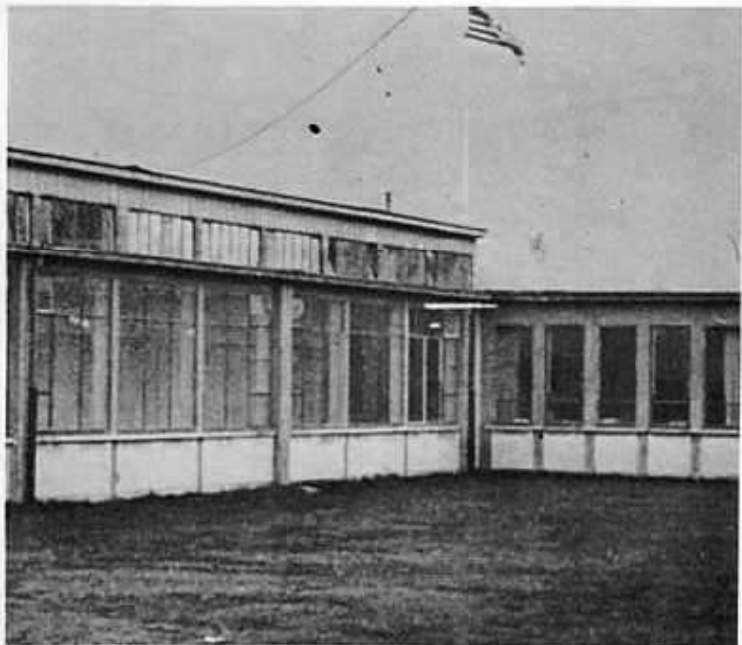

BENJAMIN FRANKLIN

So it could be said of Jo. She had a love of life and lived it to the fullest extent--making the most of every opportunity.
